Scheme of evaluation

M2T3 Review

T3

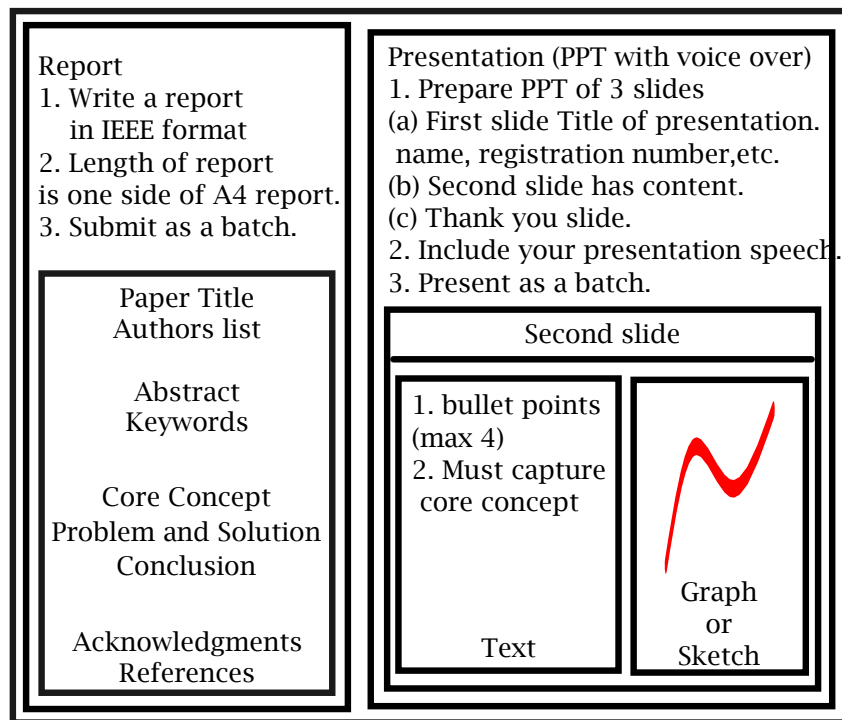

Figure 1: T3 review

Review structure

The T3 review consists of two segments as showing in Figure. 1, each carrying **5 Marks**.

1. IEEE Format Paper – 5 Marks
2. Power Point Presentation – 5 Marks

Formative weight-age

The weight-age of M2T3 to the formative assessment is 2.5 marking.

Segment 1: IEEE format paper

Instructions

1. The report must be prepared in **IEEE format** as shown in Figure. 2 and should contain:
 - Title
 - Authors' List
 - Abstract
 - Keywords
 - Core Concept
 - Problem and Solution
 - Conclusion
 - Acknowledgements
 - References
 - **AI Disclosure Statement (if AI tools are used)**
2. Length of report shall be limited to **one side of an A4 sheet**.
3. Submission shall be made batch-wise.

T3 IEEE report

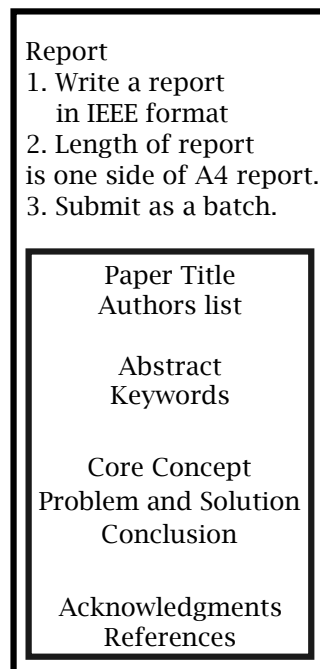

Figure 2: T3 IEEE format paper template.

Segment 2: Power point presentation

Instructions

1. Prepare a presentation as shown in Figure. 3 containing **exactly 3 slides**:
 - Slide 1: Title, Name, Registration Number
 - Slide 2: Core Content
 - Slide 3: Thank You slide
2. The second slide must:
 - Maintain equal proportions of text and graphical content
 - Capture the core concept clearly.
 - Contain not more than **four bullet points**.
3. **Only one presenter** is permitted. **The presenter may be different from the group leader.**
4. **Voice-over** of the presenter must be included.

T3 presentation

Presentation (PPT with voice over)

0. The topic for presentation is based on PART-A question of M2T1.

1. Prepare PPT of 3 slides

- (a) First slide Title of presentation. name, registration number, etc.
- (b) Second slide has content.
- (c) Thank you slide.

2. Include speech of batch representative presentation.

3. Present as a batch.

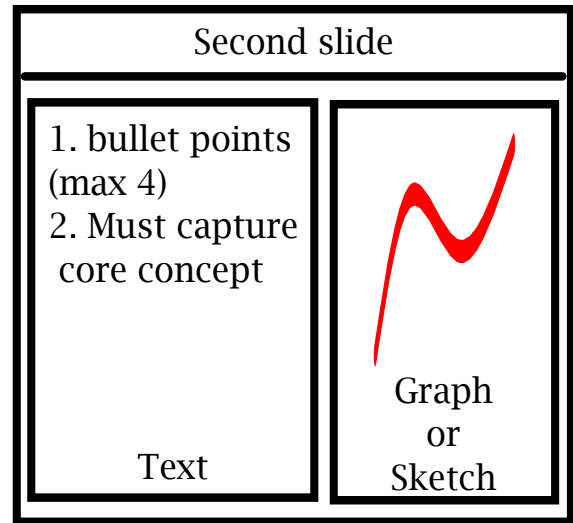

Figure 3: T3 presentation template.

Evaluation parameters

Common parameters for both segments

Parameter	Weightage
Explanation of Core Concept	2.5
Context, Content, and Conclusion	2.5
Total	5

Relative Proportion: Core Concept : (Context + Content + Conclusion) = 1:1

Presentation specific parameters

Parameter	Weightage
Explanation of Core Concept	1.67
Aesthetics	1.67
Text and Graph Proportion	1.66
Total	5

Relative Proportion: Concept : Aesthetics : Proportion = 1:1:1

End of Scheme
